

Intraosseous access deployment in hospital- how to get it right first time and every time

Wednesday, 25 January 2023

Wednesday, 25 January 2023

17:00 hrs (CET)

Duration: 1 hr 15 mins

Agenda:

- Challenges facing deployment in hospitals
- Strategies to facilitate the increased use of IO in hospital
- Stakeholder engagement top tips
- How to develop competency assessments and policies to empower and safeguard clinicians

Speaker:

Matthew Ibrahim

RN, MSc, ANP, MAcadMED, AFHEA

Lead Resuscitation Practitioner

*The Princess Alexandra Hospital
NHS Trust*

*Doctoral Researcher & Visiting Lecturer,
City, University London*

Matt has worked as the Lead Resuscitation Practitioner for several London NHS Trusts.

He has been awarded MAcadMED status by the Academy of Medical Educators as recognition for the work he has undertaken in medical education. He acts as an expert clinical advisor to both NICE and NCEPOD. Most recently Matt was presented with "Best of the best abstracts" award at the Health Service Journals Patient Safety Congress in Manchester in 2019.
